UNOPPOSED MOTION TO ENTER CONSENT DECREE

Plaintiff moves the Court to sign page 30 of the proposed Consent Decree (“CD”) and enter it in the docket as a final judgment. The CD was lodged with the Court on December 29, 2021 (ECF No. 27-1). Notice of the proposed Consent Decree was published in the Federal Register, and over 600 public comments were submitted. As explained in the Memorandum in Support, having reviewed the comments the United States continues to find that the CD is fair, reasonable, consistent with the Clean Air Act, and in the public interest. In Paragraph 81 of the proposed Consent Decree, Defendant New-Indy Catawba, LLC consented to entry of the Consent Decree without further notice, so this Motion is not opposed by any party.

Respectfully submitted,
